

## Records Retention & Disposal Policy 2025

The Link Academy Trust is a company limited by guarantee and an exempt charity, regulated by the Department of Education (DofE). All Members of the Board of Trustees of the exempt charity are also Directors of the company; the term 'Trustee' used in this Policy also means Director. This Policy applies to all academies within the Link Academy Trust

### Records Management

The Link Academy Trust (the 'Trust') recognises that, by efficiently managing its records, it will be able to comply with its legal and regulatory obligations and to contribute effective overall management of the institution. Records provide evidence for protecting the legal rights and interests of the Trust and provide evidence for demonstrating performance and accountability. This document provides the policy framework through which this effective management can be achieved and audited. It covers:

- Scope
- Responsibilities
- Relationships with existing policies

### Scope of the Policy

- 1.1 This policy applies to all records created, received, or maintained by staff of the Trust in the course of carrying out its functions.
- 1.2 Records are defined as all those documents which facilitate the business carried out by the Trust and which are, thereafter, retained (for a set period) to provide evidence of its transactions or activities. These records may be created, received or maintained in hard copy or electronically.
- 1.3 A percentage of the Trust's records will be selected for permanent preservation as part of the institution's archives for historical research.

### Responsibilities

- 1.4 The Trust has a corporate responsibility to maintain its records and record keeping systems in accordance with the regulatory environment. The person with overall responsibility for this policy is the Chief Executive Officer (CEO).
- 1.5 The person responsible for records management in the Trust will give guidance about good records management practice and will promote compliance with this policy so that information will be retrieved easily, appropriately and in a timely way. They will also monitor compliance with this policy by surveying, at least annually, to check if records are stored securely and can be accessed appropriately.
- 1.6 Individual staff and employees must ensure that records for which they are responsible are accurate and are maintained and disposed of in accordance with the Academy's record management guidelines.

### Relationship with existing policies

- 1.7 This policy has been drawn up within the context of:
  - Freedom of Information Policy
  - Data Protection Policy

- Other legislation or regulations (including audit, equal opportunities and ethos affecting the Trust.

### **Managing Pupil Records**

The pupil record should be seen as the core record charting an individual pupil's progress through the education system. The pupil record should accompany the pupil to every Academy they attend and should contain information that is accurate, objective and easy to access.

### **Recording Information**

Pupils have a right of access to their educational record and so do their parents under the Education (Pupil Information) (England) Regulations 2005. Under the Data Protection Act 1998 a pupil or their nominated representative has a right to see information held about them. This right exists until the point that the file is destroyed. Therefore, it is important to remember that all information should be accurately recorded, objective in nature and expressed in a professional manner.

### **Creating a file**

This section relates to both paper and electronic pupil files.

The pupil record starts when a file is created (opened) for each new pupil as they begin School. This is the file that will follow the pupil for the rest of his/her school life. At the Trust we include the following information on the front of the hard copy pupil file:-

- Surname
- Forename
- Date of Birth
- Unique Pupil Number

The inside cover of each pupil file contains:-

- Pupil Name
- Address
- Telephone Number
- Mother's contact number and time
- Father's contact number and time
- Name and address of any other person who has agreed to charge of the child until a parent reaches home
- Date of birth
- Admission number
- Date of entry
- Date of Leaving

### **File Contents**

The pupil record includes the following contents:-

- Record of transfer from early years provision
- Application Form
- Photography Consents
- Any information relating to a major incident concerning the child
- Annual reports
- Any relevant medical information
- Information relating to any exclusions (fixed or permanent)
- Individual specific correspondence with parents or external agencies relating to major incidents

- Details of complaints made by the pupil and/or parents
- Absence notes
- Parental consent forms
- Correspondence with parents about minor issues
- Accident forms (unless a major accident)

### **Transferring the file to secondary Academy (or alternative primary if in- year transfer)**

The Trust does not retain any pupil files when pupils leave the Academy unless there is any ongoing legal action. Custody of and responsibility for the records passes to the Academy that the pupil transfers to.

Files will not be sent by post wherever possible. In the event that they are sent by post they should be sent by registered post with an accompanying list of the files. The Academy receiving the files should sign the list to say that they have been received and return it to the Academy. Where possible, the Trust will arrange for pupil files to be delivered by hand or through the local authority internal courier system.

Electronic documents held by the Trust are destroyed once the pupil leaves.

### **Storage of pupil files**

All pupil records at the Trust are held securely. Paper files are stored in a locked cupboard in the admin office where access is managed by the admin team. All electronic records are held securely on the Academy's management information system with appropriate access levels as determined by the local authority.

Access arrangements are made ensuring that confidentiality is maintained whilst equally enabling information to be shared lawfully and appropriately, and to be accessible for those who need to see it.

### **Disposal of records which have reached the end of their administrative life**

This section outlines how records, whether electronic or paper, are disposed of once they have reached the end of their administrative life [detailed in the records retention schedule].

The Trust is committed to complying with data protection requirements by ensuring that are no longer required are reviewed as soon as possible so that only the appropriate records are destroyed.

### **Safe destruction of records**

All records containing personal or sensitive information are shredded or placed in document disposal sacks in the main admin offices to ensure reconstruction is not possible. In the event that records are identified as to be destroyed but have not yet been done so, and a request for the records is received, they must still be provided.

Prior to records being destroyed by the Academy administrator, authorisation is sought by a senior member of staff.

### **Retention periods**

Retention of records differ according to type. The schedule on the following pages outlines the retention period required for different records. The schedule has been divided into five sections:-

1. Management of the Trust
2. Human resources

3. Financial management of the Trust
4. Property management
5. Pupil management

5.1.1	Pupil's Education Record	Yes	The Education (Pupil Information) (England) Regulations 2005 SI 2005 No.1437	Retain for as long as the child remains at a Academy within	<b>The file should follow the pupil when he/she leaves the primary</b>

				the Link Academy Trust	Academy. This will include: • to another primary Academy • to a secondary Academy • to a pupil referral unit • If the pupil dies whilst at primary Academy the file should be returned to the Local Authority to be retained for the statutory retention period. If the pupil transfers to an independent Academy, transfers to home or leaves the country the file should be returned to the Local Authority to be retained for the statutory retention period. Primary Academies do not ordinarily have sufficient storage space to store records for pupils who have not transferred in the normal way. It makes more sense to transfer the record to the Local Authority as it is more likely that the pupil will request the record from the Local Authority
5.1.2	Child protection information held on pupil file	Yes	"Keeping children safe in education Statutory guidance for Academies and colleges March 2015"; "Working together to	If any records relating to child protection issues are placed on the pupil file, it should	SECURE DISPOSAL – these records MUST be shredded
